## ONE IN A QUILLION

In the spirit of Thanksgiving, *MillionaireAsia-Indonesia* and Quillion Real Estate (Singapore) held a private dinner—'Intimate Connection and Fine French Culinary Delights'—on November 23, 2011. Privileged VIPs were treated to a modern French feast by star chef, Gilles Marx that included traditional turkey and champagne tasting of Armand de Brignac at Amuz Gourmet Restaurant. A string quartet playing a repertoire of instrumental pieces kick-started the cocktail session before Vernetta Lopez, one of Singapore's top personalities, took over as MC for the night. In between, two short speeches were made and guests were presented with an exclusive invite to view Quillion's Le Nouvel Ardmore in Singapore's prime district.
